Maysville Man Hurt in C. and O. Yards at Russell Yesterday

Willard Nichols of this city, a switchman in the C. and O. Yards at Russell, was seriously injured by falling under the wheels of a box car yesterday morning about 10 o'clock.

A special train consisting of an engine and a caboose took the wounded man to the C. and O. Hospital at Huntington where an operation was performed.

It is thought he may recover with only the loss of his right leg below the knee.

When we added Men's and Boys' Shoes to our general stock of Clothing and Men's Furnishings we bought the kiad of shoes that our many years business experience taught us you wanted. You have all learned to know there is no economy in buying cheap stuff of any kind, but much less so in buying cheap shoes. In the selection of manufacturers whose shoes we now handle we were careful to connect ourselves with the best in the land. We wanted to sell shoes on the same terms like all the other merchandise we self, and that is if not reasonably satisfactory other merchandise in place of it, or other shoes in place of them, or the money refunded. We have fearned that we can safely self our W. L. Douglas and Hanni & Sous' Shoes on these terms. We self thousands of pairs and rarely ever have complaints. When we do, we *invariably* adjust the matter satisfactorily. We want you to see our new Spring Styles. They will please you.

The relation of the nerves and generative organs in women is so close that nine-tenths of the Nervous Prostration, Nervous Debility, the Blues, Sleeplessness and Nervous Irritability arises from some derangement of the organism which makes her a woman. Fits of Depression or Restlessness and Irritability. Spirits easily affected, so that one minute she laughs, the next minute weeps. Pain in the ovaries and between the shoulders. Loss of voice, nervous dyspepsia. A tendency to ery at the least provocation. All this points to Nervous Prostration. Although you may not know it, in nine cases out of ten this is caused by some uterine disorder, and the nerves centering in and about the organs which make you a woman influence your entire system. Nothing will relieve this distressing condition and prevent months of prostration and suffering so surely as

Covering One Side of Face and Reaching to the Eye

CURED BY CUTICURA

Which Acted Like a Charm After Doctors and Hospitals Failed.

Here is another of those remarkable cures of torturing, disfiguring skin humors dally made by Cuticura Resolvent, assisted by Cutieura Ointment and Soap, after physicians, hospitals and all else had failed.

" I feel it my duty to try to help those suffering from skin diseases. My case was a very bad one, covering all of one slde of my face and had reached my eye. I had two or three doctors prescribe without any relief. They said my disease was Epithelioma. I was then advised to go to one of our hospitals, which I dld, taking their treatment for some time. I had given up ali hope when my husband asked me to try the Cuticura Remedies. My face being in such a very bad state, I used the Cuticura Soap with luke-warm water and a small silk sponge and then applied the Cutienra Ointment. I took one teaspoonful of the Resolvent four times a day. They aeted like a charm, and in one week's time my face was cured enthrely and has remained so. I certainly ean recommend the Cutieura Remedles as infallible.
